

Olympiads School

Dear Parents and Students,

We are doing two practice tests for AMC 10 these weeks. You should review all the questions in class and homework from the beginning of the school year. There will be no homework these two weeks.

Please be aware of the following information:

1. We have some **extra copies** of the previous contest paper **for AMC 10/12**. If you need any, please request them from the school front desk.
2. All students who wish to write the contest should register at your day school as soon as possible. If your day school cannot register for various reasons, then you can write it at Olympiads School - see below for registration details.
